

Technical drawing of a road cross-section. The total width of the road is 19.00m. The road is divided into sections with widths of 3.50m, 7.00m, 5.00m, 7.00m, and 3.50m. A service path (Pista di servizio) is shown on the left. The road has a 2.50m deep ditch. A 200mm diameter pipe (Tr200) is shown in the ditch. The ditch is lined with a vegetated rock structure (Scogliera rinverditata). The drawing is labeled 'Fig. 10.10' and 'Fig. 10.11'.
